The essence of earth’s woods and stones, plus design trends in multiple sizes is displayed in the Natural Creations collection of luxury vinyl tile. It features CONTINUUM™ colors and designs that coordinate with Armstrong REJUVENATIONS™ sheet flooring. The durable, abrasion-resistant wear layer allows for years of good looks while the UV-cured urethane coating may eliminate the need for polishes in some areas. Awarded ADEX Gold for Design Excellence, Natural Creations offers traditional, rustic and exotic wood-looks in ArborArt, natural surface characteristics and color variation in EarthCuts and contemporary design trends in Mystix.
