ABOUT

IMPERVIO™ is an engineered waterproof flooring that is impervious to almost anything in your home. This innovative and pet-friendly product helps to provide peace of mind. Its durable top layer protects your beautiful floors from scratches and everyday traffic. These easy-to-install and easy to maintain planks come with a lifetime waterproof warranty so rest assured that Beaulieu has you covered for your active lifestyle.

ADVANTAGES

100% WATERPROOF

No more worries about products being damaged by water in your home.

STAIN RESISTANT

Easy to clean so you can spend more time doing what you love.

SUITABLE FOR USE OVER EMBEDDED HEATING SYSTEMS

Provides a warm underfoot sensation.

ATTACHED CORK UNDERLAYMENT

Quiet and comfortable for your whole family as well as naturally resistant to mold and mildew.

PET-FRIENDLY

Flooring made to enjoy life with your furry companion.

Impervio hides subfloor imperfections, can be installed even over existing floors and does not require expansion moldings.

DISPLAYS

Engineered Waterproof Flooring (EWF) is a new luxury vinyl product category from Beaulieu offering a comfortable, quiet and warm floor covering that can be installed on all floor levels. As it is waterproof and easy to maintain, it is the perfect option for any room.

HEALTHY HOME

by Beaulieu

Nothing is more important than the well-being of your family. We understand that many key decisions begin with where you live. Every time you select a Beaulieu product, we know what a privilege it is to be part of your home and we take this responsibility very seriously. This is why all of us at Beaulieu are dedicated to provide beautiful, durable and purposeful flooring that your family will enjoy for generations to come. Our promise is to constantly strive to be at the cutting edge of our industry's certifications and to always lead the way towards wholesome and safe flooring products.

Healthy Home™ is a trademark of Beaulieu Group, LLC. Healthy Home™ flooring products by Beaulieu® may contain treatments to reduce odor, soiling, staining, or contain antimicrobial treatments that are built into the flooring to inhibit the growth of odor and stain-causing mold, mildew, and bacteria solely for the protection of the flooring. The features of Healthy Home™ flooring do not protect the health of humans or animals using the flooring.

AUTHENTICATION

BEAULIEU LAB CERTIFIED

THE BLC CERTIFICATION insures that the floor covering you're buying surpasses industry quality standards. Before Beaulieu flooring reaches your home, it undergoes multiple tests which are performed by a professional laboratory.

✓ Low Volatile Organic Compounds (VOC)

✓ Wear / Abrasion resistance

✓ Dimensional stability

PET GUARANTEE

At Beaulieu, we know you love your pets. What you don't like as much are the hairs, smells and little accidents that accompany them. The good news is that Beaulieu floor coverings are made to last through all of your family's messy activities, including your pets'. Our carpets and hard surface floor coverings offer great durability and they all feature different benefits so you can enjoy everything life with your pets has to offer.

CERTIFICATIONS

FloorScore® is a certification program that tests and certifies hard surface flooring and flooring adhesives for compliance with rigorous indoor air quality emissions requirements.

GreenGuard Certification helps manufacturers create, and helps buyers identify, interior products and materials that have low chemical emissions, improving the quality of the air in which the products are used.
