

## DESIGNERCOLLECTION | HOMESTEAD SERIES

BLACK WALNUT, Tobacco Brown

Imperfect yet perfect.

Bring the warmth and allure of the past into your home through Lauzon's Homestead Series of time-worn floors. Wide, beveled-edge planks, softly hand scraped or brushed, gives this floor a unique personality.

Its deep, rich color palette and irregular grain is reminiscent of the past, the perfect complement to a country interior. Its texture adds character to a contemporary loft, and softens the formality of traditional décor.

### DESIGN FEATURES

---

#### Hand Scraped

With this technique, wood is subtly sculpted, giving a relief and a unique personality to each board, replicating the timeless look of floors once worn by time. Offering extraordinary style, texture adds character to a contemporary loft and reduces the formality of a traditional décor.

#### Matte Finish

A low-matte finish and a rich color palette.

#### Designer Palette

A deep and rich color palette designed to coordinate with any interior design.

### PERFECT FIT

---

High-precision milling and expert craftsmanship results in edges and joints of exceptional detail, ensuring that every Lauzon plank fits perfectly and evenly... every time.

### TITANIUM FINISH

---

- Unsurpassed abrasion resistance: resists scuffing and scratching.
- Health Friendly: no added VOC's, solvents and formaldehyde. Intelligent choice for allergy and asthma sufferers as well as individuals with compromised immune systems such as the sick and the elderly.
- Luster Retention: the finish will stay stable from foot traffic overtime.
- Clarity: remarkably clear finish that highlights the warmth and beauty of the wood.
- Sun Protection: Lauzon Sunshield minimizes the yellowing effects of the sun.
- Dynamic Flex: when everyday objects fall on the floor the finish will bend to follow and still protect the wood.

WHITE OAK, Caribou

## SPECIFICATIONS HOMESTEAD

---

- **Construction**  
Engineered Hardwood  
(Precision engineered to minimize over-wood.)
- **Length**  
Up to 5'6" (up to 1.7 m)
- **Width**  
5 inches (127 mm)
- **Species**  
Black Walnut, Hickory, White Oak and Red Oak
- **Thickness**  
0.47" (12 mm)
- **Wear Layer**  
0.08" (2 mm) dry solid sawn (ensures optimal performance in both dry and humid conditions)
- **Core**  
0.39" (10 mm) plywood core
- **Balancing base layer**  
Birch balance layer for stability
- **Surface Texture**  
Time Worn
- **Gloss Level**  
TITANIUM Finish. Matte.
- **Edge**  
4 Side Gentle Pillowed Edges
- **Formaldehyde Content**  
CARB 2 compliant (America's most rigid standard)
- **Joint**  
Tongue and groove
- **Colors**  
Navajo Brown - Prairie Wheat - Western Sunset  
Cedar Rail - Tobacco Brown - Caribou
- **Available Mouldings**  
Nosing: 0.59" x 3.125" x 84" (15 mm x 79.4 mm x 2133 mm)  
Reducer: 0.59" x 2" x 84" (15 mm x 57 mm x 2133 mm)  
T-Moulding: 2" x 84" (50.8 mm x 2133 mm)  
*\*Mouldings are textured to match the floor*
- **Installation Levels**  
Any room below or above grade  
(Nailed, Stapled Glued or floating installation)
- **Maintenance**  
Recommended hardwood flooring cleaning products.
- **Warranty**  
Lifetime Structural  
Residential use: 35-year wear through limited warranty\*  
Light Commercial use: 5-year wear through limited warranty\*  
*\* Please refer to the Installation Guide.*
