Pebble Hill Hickory

Features

Pebble Hill Hickory, which warms rooms with its rich grain and hand-scraped texture, has proven so popular we've added another width plus three new colors: lighter Prairie Dust, Stonehenge, and Olde English. Hickory has inherent strength and durability, which make Pebble Hill a fantastic flooring choice.

- This product features ScufResist™ PLATINUM - Shaw's extremely wear resistant UV cured polyurethane finish with Aluminum Oxide. The new and improved ScufResist™ PLATINUM is designed to help resist household scuffing on hardwood floors.
- This hardwood is approved for installation over water type radiant heated subfloors when installed as a glued or floating floor. (*Oak, Ash, Hickory or Walnut veneer species only.*)
- This product can be installed above, on or below ground level
- Made by Shaw with pride in the USA
