This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This product is made with OptiCore™ - Shaw's laminate coreboard that's strong, stable and moisture resistant.

This Shaw laminate is constructed using VersaLock® AG™, Shaw's patented locking technology that reliably secures the flooring panels on all four sides without adhesive.

This Shaw laminate flooring product meets GREENGUARD® indoor air quality requirements and is GREENGUARD Children & Schools Certified.

This Shaw product can be installed above, on or below ground level.

This Shaw product is made in the USA.
