Natural Values II Natural Values II Plus

Features

This collection of appealing designs that will make an impression... at very friendly prices! No matter what the look is—casual, urban, formal or informal—**Natural Values II** laminate has a choice that's just right. It's an assortment of 15 colors in 6 wood species—standout styles for every space, from quaint bungalow to chic condo to southern farmhouse.

The collection's sought-after species are oak, Brazilian cherry, hickory, pine, walnut, and mahogany; and with 7 new colors, the total now comes to 15 of the most popular colors in flooring fashion today.

- **Natural Values II** is available with Shaw's **SilentStep™ Plus**, premium attached backing which reduces noise transmissions, offers easier installation and provides natural hardwood walk sound
- New, more exclusive visuals—like hickory, and walnut, and new 8" pine—add a more upscale look
- **Colors** vary from light naturals to rich, saturated darks
