DESCRIPTION

A reproduction of the precious surface of marble, Calacatta vision is ideal for wall and floor applications. The brightness and the detail of the veins are reproduced perfectly thanks to the excellent graphical performance of Inkjet Technology. These beautiful tiles are each different in design and produced with a perfectly polished surface.

INSTALLATION + MAINTENANCE

Calacatta Vision may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of America (TCA). Eleganza sales representative will advise you on general installation questions.
