

ENGLISH PUB

Our craftsmen have delicately scraped and hand honed this floor to resemble the look of Old English Pubs where friends, family, and travelers gathered to relax and converse in a warm and inviting atmosphere. The long 7' foot planks are inspired by the floors from early times that were made to be sturdy and last a lifetime. We have used character grade maple to bring out the natural beauty of the wood grain, along with filled splits and knots for an enhanced old world design.
