

TUSCAN

The Tuscan series is designed to replicate that old world look of the way floors were made hundreds of years ago through the Tuscany regions of Italy. Everything about those old floors was done by hand. The multiple widths replicate the use of every piece of the tree cut to make each floor unique in its own way. The handscraping is done by craftsmen, with years of artisan experience, to give each board its own beautiful personality.

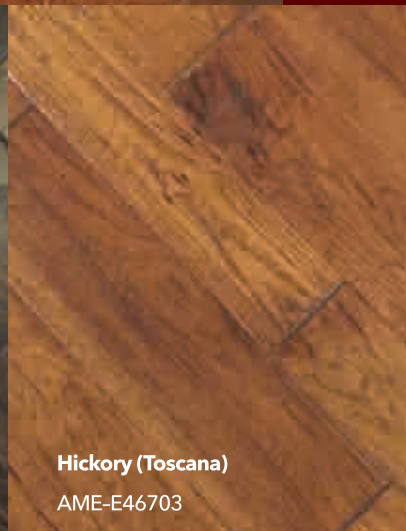

CONSTRUCTION	Engineered
STYLE	Handscraped, Smooth
THICKNESS	9/16"
WIDTH	4-1/2", 6", 7-1/2"
LENGTH	Random
FINISH	11 Step Aluminum Oxide
GLOSS	Semi
WARRANTY	25 Year Limited Residential
INSTALLATION	Nail, Glue, Float
AREAS	On, Above, Below
