COLLECTION	Designer
SERIES	International
SPECIES	Santos Mahogany

Note: We have made every effort to display the colour choices as accurately as possible. Unfortunately, we cannot guarantee that the colours you see on your monitor are an exact reproduction of the original. Colours will vary depending on screen resolution and graphics card. Wood is a natural product and each plank is unique. The samples are too small to adequately reproduce all of the natural characteristics, including mineral streaks, knots and tonal variations, which appear over a large floor space. Always make sure to verify your colour choice with the Lauzon flooring samples on display at a retailer nearest you.

## CONSTRUCTION

### ENGINEERED

#### Micro-V

3 1/4" (82.5 mm) MA03M125V

5 3/16" (132 mm) MA05M125V

INSTALLATION Nailed, stapled, glued or floated

#### Square Edge

3 1/4" (82.5 mm) MA03B125

INSTALLATION Nailed, stapled or glued

#### Herringbone

3 1/4" (82.5 mm) MA03H125

INSTALLATION Glued  
LEVEL Above, on and below grade

## TEXTURE

Smooth texture

## LUSTRE

Semi-Gloss

## PURE GENIUS

Available in option

## FINISH

Titanium

## WARRANTY

Lifetime structure  
Residential use: 35 years  
Light commercial use: 5 years

## NOTE

Maturing process: The color of the wood reaches a darker, richer hue depending on the species and the amount of light the floor is exposed to. This phenomenon of oxidation is especially true with International series products.

## PERFECT FIT

High-precision milling and expert craftsmanship results in edges and joints of exceptional detail, ensuring that every Lauzon plank fits perfectly and evenly... every time.

## TITANIUM FINISH

Unsurpassed abrasion resistance: resists scuffing and scratching.

Health Friendly: no added VOC's, solvents and formaldehyde. Intelligent choice for allergy and asthma sufferers as well as individuals with compromised immune systems such as the sick and the elderly.

Luster Retention: the finish will stay stable from foot traffic overtime.

Clarity: remarkably clear finish that highlights the warmth and beauty of the wood.

Sun Protection: Lauzon Sunshield minimizes the yellowing effects of the sun.

Dynamic Flex: when everyday objects fall on the floor the finish will bend to follow and still protect the wood.

## SUSTAINABLE PRACTICES

Renewable harvesting of trees ensures the forest is left in better shape for future generations.

FSC® certified.  
Technological advancement at Lauzon's saw mill ensure more of every tree is used.

As part of our "no waste" policy, we transform wood residue into highly efficient clean burning wood pellets.

## PURE GENIUS

Pure Genius is a light-activated, air-purifying agent made of titanium dioxide integrated into Lauzon's Titanium floor finish. Activated by natural and artificial light, it breaks down toxic contaminants on contact and transforms them into harmless molecules. Its constant and consistent action is so effective over time, it makes indoor air up to 85% cleaner.
