

Porcelain & Ceramic - Stone Looks

Eramosa

Eramosa White 12"x24"
Eramosa Grey 12"x24"

Everyone wants the look of natural stone, but not everyone is willing to put forth the effort required to maintain a natural surface. Get all of the style with virtually none of the maintenance by using MSI's popular stone-look porcelain and ceramic tiles. We have created tiles that emulate the world's most popular stones, including travertine, slate, quartzite and onyx. Every piece has just the right amount of color, shade variation and sheen.
