There is a new direction in tile design, featuring elegant looks that maintain a timeless charm. A refined elegance is what Mediterranea delivers in its stunning all-new Flow series - taking porcelain tile design in a direction that's startlingly fresh...while evoking the classic quality of the world's most prestigious marble quarries.

Flow is a perfect blend of design and format - featuring the soft lines of the world's most treasured marbles, with an exquisite texture worthy of the great Italian sculptors. Manufactured in both 6" x 24" and 12" x 24" sizes, Flow delivers a look and feel that could never be achieved with natural stone - a superb synthesis of directional graphics mixed with a unique surface texture -- creating an aura of refined beauty for any floor or wall installation.
