Price Structure

Premier
Prestige

Preferred

Stylish and elegant looks. Each tile is created through traditional firing processes and glaze techniques.

Premium

Sophisticated visuals and detailed surfacing. A process of multiple glazes results in an attractive, cultured surface.

Premier

Inherent visual color and depth. A complex process of design brings out the rich, more upscale texture and look of elegant porcelain as well as a variety of other tiles.

Prestige

Natural characteristics and realistic attributes. Captures the inherent beauty of natural stone. Highly complex design techniques are also applied to rich porcelains, unique glasses and other materials to create surfaces with distinctive physical and natural qualities.

Cleaning Procedures

- Remove loose dust and dirt with a damp cloth or a sponge
- Use a neutral, non-abrasive cleaner suitable for ceramic tile
- Remove cleaning solution with a clean, damp sponge or mop

Special Notes

Since there is shade variation in all natural products, the tile and trim supplied for your particular installation may not match these samples. Final selection should be made from actual tiles and trim and not from tile and trim samples or color reproductions.
